MARS Gaming

MH4 headphones

MH4 Mars Gaming headphones includes the exclusive Sensus sound technology, specifically engineered for gamers, that turns bass sound into vibrations, offering an extraordinary sensitive sound experience.

With 7.2 positional sound and its powerful control software, MH4 headset makes gamers inmerse completely in the match, offering an outstanding sound quality. And thanks to the two sound-driver in each ear, the gaming expercience will be even more realistic.

High quality materials and finishings for these headphones. MH4 have been designed for long gaming sessions, with ultra comfortable ear cushions and headband. Moreover, their ultra long microphone, side-foldable, includes advanced noise filtering system.

A high quality braided cable, with inline control-box, for a smarter sound management, fills out these headphones´ premium features.
